### DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling. This product is not for use on medical device surfaces.

**KILLS HIV-1 (AIDS VIRUS) ON PRECLEANED, ENVIRONMENTAL SURFACES/ OBJECTS PREVIOUSLY SOILED WITH BLOOD/BODY FLUIDS** in health care settings or other settings in which there is an expected likelihood of soiling of inanimate surfaces/objects with blood or body fluids, and in which the surface/objects likely to be soiled with blood or body fluids can be associated with the potential for transmission of Human Immunodeficiency Virus Type 1 (HIV-1) (associated with AIDS).

#### Special Instructions for Cleaning and Decontamination against HIV-1 [Aids Virus] of Surfaces/Objects Soiled With Blood/Body Fluids.

**Personal Protection:** Clean-up must always be done wearing protective gloves, gowns, masks and eye protection.

**Cleaning Procedures:** Blood and body fluids must be thoroughly cleaned from surfaces and objects before application of disinfectant.

**Contact Time:** Effective against HIV-1 [AIDS virus] on hard, nonporous surfaces in the presence of a moderate amount of organic soil [5% blood serum] [providing 1800 ppm of active quaternary] for a contact time of 5 minutes at room temperature [20 - 25°C]. Use a 10 minute contact time for disinfection against all other bacteria, fungi and viruses claimed.

**Disposal of Infectious Materials:** Blood and other body fluids must be autoclaved and disposed of according to federal, state and local regulations for infectious waste disposal.

See product label for complete directions for use.

#### KEEP OUT OF REACH OF CHILDREN

**CAUTION.** Harmful if absorbed through the skin. Avoid contact with skin, eyes or clothing. Wash thoroughly with soap and water after handling.

#### FIRST AID

**IF ON SKIN OR CLOTHING:** Take off contaminated clothing. Rinse skin immediately with plenty of water for 15 – 20 minutes.

Call a poison control center or doctor for treatment advice. Have the product container or label with you when calling a Poison Control Center or doctor or going for treatment.
